

§ 1320.14 Public access.

(a) In order to enable the public to participate in and provide comments during the clearance process, OMB will ordinarily make its paperwork docket files available for public inspection during normal business hours. Notwithstanding other provisions of this Part, and to the extent permitted by law, requirements to publish public notices or to provide materials to the public may be modified or waived by the Director to the extent that such public participation in the approval process would defeat the purpose of the collection of information; jeopardize the confidentiality of proprietary, trade secret, or other confidential information; violate State or Federal law; or substantially interfere with an agency's ability to perform its statutory obligations.

(b) Agencies shall provide copies of the material submitted to OMB for review promptly upon request by any person.

(c) Any person may request OMB to review any collection of information conducted by or for an agency to determine, if, under this Act and this part, a person shall maintain, provide, or disclose the information to or for the agency. Unless the request is frivolous, OMB shall, in coordination with the agency responsible for the collection of information:

(1) Respond to the request within 60 days after receiving the request, unless such period is extended by OMB to a specified date and the person making the request is given notice of such extension; and

(2) Take appropriate remedial action, if necessary.

§ 1320.15 Independent regulatory agency override authority.

(a) An independent regulatory agency which is administered by two or more members of a commission, board, or similar body, may by majority vote void:

(1) Any disapproval, instruction to such agency to make material or substantive change to, or stay of the effectiveness of OMB approval of, any collection of information of such agency; or

(2) An exercise of authority under § 1320.10(g) concerning such agency.

(b) The agency shall certify each vote to void such OMB action to OMB, and explain the reasons for such vote. OMB shall without further delay assign an OMB control number to such collection of information, valid for the length of time requested by the agency, up to three years, to any collection of information as to which this vote is exercised. No override shall become effective until the independent regulatory agency, as provided in § 1320.5(b) and § 1320.6(2), has displayed the OMB control number and informed the potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

§ 1320.16 Delegation of approval authority.

(a) OMB may, after complying with the notice and comment procedures of the Administrative Procedure Act, delegate OMB review of some or all of an agency's collections of information to the Senior Official, or to the agency head with respect to those components of the agency for which he or she has not delegated authority.

(b) No delegation of review authority shall be made unless the agency demonstrates to OMB that the Senior Official or agency head to whom the authority would be delegate:

(1) Is sufficiently independent of program responsibility to evaluate fairly whether proposed collections of information should be approved;

(2) Has sufficient resources to carry out this responsibility effectively; and

(3) Has established an agency review process that demonstrates the prompt, efficient, and effective performance of collection of information review responsibilities.

(c) OMB may limit, condition, or rescind, in whole or in part, at any time, such delegations of authority, and reserves the right to review any individual collection of information, or part thereof, conducted or sponsored by an agency, at any time.

(d) Subject to the provisions of this part, and in accordance with the terms

§ 1320.17

and conditions of each delegation as specified in appendix A to this part, OMB delegates review and approval authority to the following agencies:

(1) Board of Governors of the Federal Reserve System; and

(2) Managing Director of the Federal Communications Commission.

§ 1320.17 Information collection budget.

Each agency's Senior Official, or agency head in the case of any agency for which the agency head has not delegated responsibility under the Act for any component of the agency to the Senior Official, shall develop and submit to OMB, in such form, at such time, and in accordance with such procedures as OMB may prescribe, an annual comprehensive budget for all collections of information from the public to be conducted in the succeeding twelve months. For good cause, OMB may exempt any agency from this requirement.

§ 1320.18 Other authority.

(a) OMB shall determine whether any collection of information or other matter is within the scope of the Act, or this Part.

(b) In appropriate cases, after consultation with the agency, OMB may initiate a rulemaking proceeding to determine whether an agency's collection of information is consistent with statutory standards. Such proceedings shall be in accordance with the informal rulemaking procedures of the Administrative Procedure Act.

(c) Each agency is responsible for complying with the information policies, principles, standards, and guidelines prescribed by OMB under this Act.

(d) To the extent permitted by law, OMB may waive any requirements contained in this part.

(e) Nothing in this part shall be interpreted to limit the authority of OMB under this Act, or any other law. Nothing in this part or this Act shall be interpreted as increasing or decreasing the authority of OMB with respect to the substantive policies and programs of the agencies.

APPENDIX A TO PART 1320—AGENCIES WITH DELEGATED REVIEW AND APPROVAL AUTHORITY

1. The Board of Governors of the Federal Reserve System

(a) Authority to review and approve collection of information requests, collection of information requirements, and collections of information in current rules is delegated to the Board of Governors of the Federal Reserve System.

(1) This delegation does not include review and approval authority over any new collection of information or any modification to an existing collection of information that:

(ii) Is objected to by another Federal agency on the grounds that agency requires information currently collected by the Board, that the currently collected information is being deleted from the collection, and the deletion will have a serious adverse impact on the agency's program, provided that such objection is certified to OMB by the head of the Federal agency involved, with a copy to the Board, before the end of the comment period specified by the Board on the FEDERAL REGISTER notices specified in paragraph (1)(3)(i) of this section 1.

(iii) Would cause the burden of the information collections conducted or sponsored by the Board to exceed by the end of the fiscal year the Information Collection Budget allowance set by the Board and OMB for the fiscal year-end.

(2) The Board may ask that OMB review and approve collections of information covered by this delegation.

(3) In exercising delegated authority, the Board will:

(i) Provide the public, to the extent possible and appropriate, with reasonable opportunity to comment on collections of information under review prior to taking final action approving the collection. Reasonable opportunity for public comment will include publishing a notice in the FEDERAL REGISTER informing the public of the proposed collection of information, announcing the beginning of a 60-day public comment period, and the availability of copies of the "clearance package," to provide the public with the opportunity to comment. Such FEDERAL REGISTER notices shall also advise the public that they may also send a copy of their comments to the Federal Reserve Board and to the OMB/OIRA Desk Officer.

(A) Should the Board determine that a new collection of information or a change in an
